

BIO-MATCH™ BALANCE™

Moisturizing Personal Wash

Balance™ Moisturizing Personal Wash is scientifically formulated to help cleanse, refresh, and eliminate odor. It is accurately Bio-Matched to an optimal vaginal pH and salt level, and has the same type of beneficial lactic acid produced by healthy lactobacilli.

Balance™ Moisturizing Personal Wash Bio-Matches to optimal vaginal conditions to promote a natural immune response. Recommended as a daily hygiene regimen, Balance™ is a natural feminine hygiene solution.

Our Bio-Match™ team offers an effective womens' health alternative to products made with concentrated petrochemicals, parabens and toxic fragrances.

FEATURES

- Gentle, moisturizing cleanser made with soothing botanical extracts
- Accurately matches an optimal vaginal pH to support a natural balance of vaginal flora
- 100% vegan, petroleum-free and paraben-free
- Natural protective action to help moisturize and deodorize
