

SUPPORT YOUR FERTILITY JOURNEY

# BioGenesis™ Fertility Lubricant

The only fertility lubricant that is paraben free and contains calcium and magnesium ions to support your fertility journey. Bio Matches® your own fertile fluids to create an optimal environment for conception.

BioGenesis™ is the only trying to conceive (TTC) lubricant on the market that is paraben-free and contains calcium and magnesium ions to support fertility. It is compatible with sperm, oocytes, and embryos, and is recommended for use while trying to conceive. Consult physician for use with fertility interventions. Intended to supplement the body's natural lubrication, this product is compatible with natural rubber latex and polyisoprene condoms.

BioGenesis™ Fertility Lubricant is a personal lubricant for penile and/or vaginal application, intended to moisturize and lubricate, to enhance and ease the comfort of intimate sexual activity. It is the first fertility lubricant that uses gentle buffering action to simultaneously maintain healthy vaginal pH and support sperm motility.

BioGenesis™ Fertility Lubricant comes with two easy-to-use reusable applicators, and one 2 oz. tube for up to 12 applications.
