

SUPPORT HEALTHY VAGINAL FLORA

BiopHresh™ Vaginal Homeopathic Suppository

Good
clean love

Combining the power of homeopathic remedies with Bio Matched® probiotic strains found in the vaginal tract. It helps relieve symptoms related to bacterial vaginosis, including vaginal odor, itching, irritation, or abnormal discharge

BiopHresh™, offers efficacious homeopathic remedies for bacterial vaginosis. In a base of the most prevalent strains of vaginal lactobacilli, BiopHresh™, helps restore healthy vaginal flora.

A healthy vaginal biome is an acidic environment with the lowest pH in the body. BiopHresh™ homeopathic formulation, based in a lactobacilli substrate, promotes a healthy microbial vaginal ecosystem. Does not require refrigeration.

FEATURES

- Utilizes patented BioMatched® technology to mimic optimal vaginal ecosystems
- Helps relieve symptoms related to bacterial vaginosis, including vaginal odor, itching, irritation, or abnormal discharge
- Helps restore healthy vaginal flora
- Promotes urinary tract health
- Lowers pH of the vagina
